Mr. Juan M. Portal
Auditor General of Mexico
Chairman of the INTOSAI Working Group
on Public Debt

Dear Mr. Portal,

Let me express appreciation to the Secretariat of the INTOSAI Working Group on Public Debt for the invitation to make a report on topical issues, which are of interest to the WGPD members.

I am pleased to inform that the Accounting Chamber of Ukraine continues successful coordination of the international coordinated parallel audit of public debt management information systems, which is being carried out during 2013-2014, within the framework of the Strategic Plan of the INTOSAI WGPD.

11 SAIs – INTOSAI members have expressed their interest in participating in this project. The SAI of Ukraine is a coordinator of these events.

In accordance with the adopted Common Programme of the parallel audit, during 2013 the participating SAIs were conducting a preliminary study of public debt management information systems at their national levels. After conducting principal audits in 2014, the Joint Parallel Audit Report will be prepared.

Hence, the Accounting Chamber of Ukraine confirms its readiness to report on progress of the international coordinated parallel audit of public debt management information systems during the next meeting of the INTOSAI WGPD to be held October 15-17, 2014 in Seoul, the Republic of Korea (the ACU reporter will be Mr. Andriy Mamyshev, Deputy Director of State Debt, International Activities and Financial Institutions Audit Department). A final list of the ACU participants will be sent to you later.

If you have any questions, please, contact the ACU International Relations Department by e-mail: ird@ac-rada.gov.ua or by phone: +38 044 206 07 55.

I take this opportunity to renew to you the assurance of my highest consideration.

With best wishes

Chairman
